The teachers, staff, students & families of Armidale City Public School!
Friday will be our School Athletics Carnival - track events at Armidale High School. All students are reminded to make sure you bring your hat and a jumper along for Friday.

Our School Council Annual General Meeting for 2014 was held on Monday 20 May. There is still a vacancy on our School Council for a parent representative. Attached to the newsletter two weeks ago was a nomination form for any parent wishing to nominate for the vacant position. Nominations are due back to the office by the last day of this term - Friday 20 June.

Levels of interest for a school based Ethics program commencing for students in Years 5 and 6 have indicated there are sufficient students who wish to take part in Ethics classes. Classes will run at the same time as Scripture classes and start date is planned for Tuesday 15 July (Week 1, Term 3). Early next term we will be determining the level of interest for other year groups. If any parent wishes to volunteer to teach Ethics Classes please let the office know.

I would like to remind parents that supervision for students before school does not commence until 8.40am. A number of students have been arriving before this time in the last few weeks and parents are reminded students who walk, ride or get dropped off should not be arriving well before this time. We thank parents and families for their support with this matter.

Staff will be undertaking professional learning in 'Taking Off With Numeracy' and the 'Quality Teaching Framework' on the staff development day at the beginning of next term.

The first day back for students in Term 3 is Tuesday 15 July. I would like to wish everyone a safe and happy holiday break and thank the entire Armidale City Public School community for your warm welcome this term. Please feel free to email me on the address below if you wish to raise any points of interest. Thank you, to parents who have already emailed me with suggestions and questions.
