Dear Parents,

KINDERGARTEN ENROLMENTS FOR 2015

We are seeking information on our numbers for next year and would like to know of any parents wishing to enrol children at Armidale City Public School in 2015.

We believe that Armidale City Public School offers an excellent beginning to school life. The school has dedicated and hard working staff members with both vitality and experience. Parents and children are welcomed into a caring school environment where each child is encouraged to strive for their personal best.

Parents are welcome to visit our school and to make an appointment with the Principal, Mr Matt Hobbs, on 6772 3420 to discuss any issue.

Children who turn five before 31 July 2015 are eligible to enrol in Kindergarten in 2015. This may mean that some children will only be four years and six months of age when they begin school.

If there are any young children living near you who have no older brothers or sisters at this school, please include them on your list.

We need this information urgently to assist us with staffing for next year. Parents must complete an "Application to Enrol" form which may be obtained from the Front Office at the School or by completing the form below and returning it to the school.

Once we have received the "Application to Enrol" form with your child's Birth Certificate and Immunisation Certificate, we can then confirm your child's place in Kindergarten 2015.

We will be holding orientation days for Kindergarten 2015 for students and parents early in Term 4. At this time, more information about our school will be available while the children will have the opportunity to spend some time in the Kindergarten classrooms.

Thank you for your assistance.

Mr Matt Hobbs
Principal

Child's Name ___________________________
