PRINCIPAL’S REPORT–WEEK 1

Welcome back to Term 3 and a warm welcome to new students and their families who have commenced at our school this week. I hope everyone had an enjoyable holiday. Staff and students have returned to school this week looking forward to a wonderful term. Good luck, to Javan Smith and Ely Sisson who will be representing North West PSSA at NSW Cross Country in Sydney on Friday this week.

Mr Joe Russell – our General Assistant has accepted a full time position at Ben Venue Public School and started there at the beginning of this term. Joe has been a highly valued member of the Armidale City Public School community for a number of years in his role as a parent, P&C President, General Assistant and volunteer at a wide variety of school events and his contribution to our school will be greatly missed. We wish Joe every success for his future and know he will do a great job at Ben Venue Public School. Mr Brian Shaw will fill in as GA until the vacant position can be filled on a permanent basis through a DEC merit selection order. We are very appreciative of their visit.

NEWS FROM STAGE 2

Stage 2 are looking forward to a busy start to the term. Next Tuesday we will be performing at the assembly. The children have received a note indicating what they will need to wear.

As a part of our personal health and development all children will be participating in a group session called “feeling deadly not shame”. This program is based on developing resilience and self pride. We are looking forward to doing this with the entire stage next Wednesday.

Mrs Todd Ridley

Stage 2 Supervisor

With the cooler weather that is prevalent at the moment we ask that parents ensure items of clothing including jumpers and jackets are appropriately labelled with names of children so items can be returned to their owners when misplaced. As per our school uniform policy students are reminded that jumpers or jackets should be royal blue in colour.

All staff took part in professional learning on Monday this week in Taking Off With Numeracy and the Quality Teaching Framework. Staff are looking forward to utilising this learning in their classrooms this term.

Please feel free to email me on the address below if you wish to raise any points of interest.

Here’s to another great term ahead.
