LIBRARY OPEN

MORNINGS  8.30 – 9.00AM
LUNCH  1.20 – 1.50PM
AFTERNOONS  3.15 – 4.00PM
Welcome back to Term 4. The term promises to be an exciting one with a wide range of activities for students to be involved in.

During Term 4 all classes will continue taking part in child protection lessons as part of the PDHPE curriculum for NSW DEC. If any parent would like to discuss the content of these lessons, please contact your child's teacher.

Parents are reminded that if your child’s routine in the afternoon changes from their usual routine that the school office and class teacher should be advised each time the changes occur. This enables staff to ensure students go where they are meant to and that students know clearly where they are meant to and that students know clearly where they are meant to and that students know clearly where they are meant to and that students know clearly where they are meant to go, etc. This is a vital component of our daily duty of care for students and we thank parents and families for their support with this matter.

Teachers will soon commence writing Semester 2 reports for students and our Year 4 students are off to Lake Keepit Sport and Recreation centre for their annual excursion next week. Welcome to new students who have commenced at Armidale City Public School this term, we know you will thoroughly enjoy your time at our great school.

Today our 2016 Kindergarten Orientation program commenced and we welcome all new students and their families to Armidale City Public School. The teachers were highly impressed by the positive attitudes of all children and we thank parents for bringing their children along. The program will run over the first seven weeks of the term and students will experience a wide range of activities during their time at school. Participation in the orientation program assists students and families in preparing for full time school next year. Any parent who has not yet completed Kindergarten enrolment forms for 2016 are encouraged to do so as soon as possible.

The P&C meeting for October will be held tonight, Wednesday, 7 October from 7.30pm in the school library. All current members are invited to attend and new members are more than welcome.

Our parents, Patti Pearse has made an offer to teach Italian to students of Armidale City Public School and we would like to ascertain the level of interest from students to see if this is viable. If parents would like their child to participate in this opportunity, please contact Patti on 0429772025 or via email patti@hotmail.com by 21 October. We thank Patti for making this offer of teaching Italian to interested students.

Parents are reminded that if your child’s routine in the afternoon changes from their usual routine that the school office and class teacher should be advised each time the changes occur. This enables staff to ensure students go where they are meant to and that students know clearly what they are meant to do - avoiding school staff having to make phone calls at the end of the day when students are not sure about how they are getting home, where they are meant to go, etc. This is a vital component of our daily duty of care for students and we thank parents and families for their support with this matter.

Well done to students on coming back to school with a positive attitude and for getting straight back into the swing of things at school.

During Term 4 all classes will continue taking part in child protection lessons as part of the PDHPE curriculum for NSW DEC. If any parent would like to discuss the content of these lessons, please contact your child's teacher. 

Have a great week everyone.
