PRINCIPAL'S REPORT—WEEK 5
Our Year 5 and 6 students departed on Sunday morning on their Canberra/Ballarat excursion. Students are being accompanied by Mrs MacGregor, Mrs Kelly, Mrs Russell, Mrs Jones and Mr MacGregor. They have had a great three days thus far and are looking forward to the rest of the activities planned. Thank you to parents for supporting the attendance of students on this excursion and to the Armidale City Public School staff who have given of their personal time to ensure this excursion goes ahead. Students will return to Armidale on Friday, 6 November at approximately 7pm.

Sam R (Junior Division) and Peter G (Senior Division) will travel to Sydney next Wednesday, 11 November to compete in the state finals of the Premier’s Spelling Bee. Armidale City is one of just six schools across the state to have finalists in both the junior and senior divisions. More than 34000 students from 939 public schools across NSW took part in the Premier’s Spelling Bee competition in 2015 and 3500 students competed in the regional finals, where Sam and Peter won their respective divisions. We wish Peter and Sam every success in the final next week as they represent Armidale City Public School. Peter has also achieved great success in the Newcastle Permanent Mathematics Competition achieving the highest score in the Year 5 division in Northern NSW — well done, Peter.

Applications are currently open for current Year 5 students for the 2017 Selective High Schools Entry Test and applicants need to be made by 10pm on Monday, 16 November. Reminder information will be sent out to all Year 5 parents next Monday, 9 November. Further information is available from http://www.schools.nsw.edu.au/learning/k- assessments/gsplacement/index.php or contact the office for more details.

Our 2016 Kindergarten Orientation program has now been running for four weeks and we welcome all new students and their families to Armidale City Public School. The program will continue to run for the next three weeks of the term and students will experience a wide range of activities during their time at school. Participation in the orientation program assists students and families in preparing for full time school next year. Any parent who has not yet completed Kindergarten enrolment forms for 2016 is encouraged to do so as soon as possible.

Our P & C meeting for November will be held tonight, 4 November from 7.30pm in the library. All parents and community members are encouraged to attend.

Parents are reminded that our school car park is for staff parking only and should not be used as a drop off or collection point. This is to ensure the safety of students, staff and residents in the area. We would appreciate all parents supporting us with this matter.

Raffle tickets are still available for purchase through the office to support Oliver representing NSW at National Athletics Championships in Canberra later this year. Thank you to all families who supported the Meal Deal last week and thank you to the parents and community members who assisted with the Meal Deal, have a great week everyone.

Are you spring cleaning? The clothing pool is very low in second hand items. If you have time it would be great if you could collect any unwanted items and send them in.

The P&C helps each year to pay for the costs of Presentation day. It is coming up soon so look out for fundraisers for this important part of the school year.

3/4S CLASS NEWS
By Chiyo and Pippi
We are writing about how 3/4S celebrated Halloween.

Miss Roberts gave us chocolate for Halloween.

Happy Halloween! I know it's over but I'm writing about it so I should at least say something catchy!

My name is Chiyo and with the help of Pippi we are writing about how 3/4S celebrated Halloween.

Straight after Year 4 came back from Lake Keepit 3/4S got straight into Halloween spirit.

We did a lot of craft such as making skeletons out of cotton buds and jack-o-lanterns out of paper plates.

We decorated our corridor with plastic spiders and fake cobwebs.

We also hung up paper skulls, roses and pumpkins all mixed together with black and white streamers.

We also wrote spooky stories along with games of Halloween bingo.

But the best part was.....
